

I) Interview Preparation Grid

Common Q	Project 1	Project 2
Challenges		
Mistakes		
Enjoyed		
Leadership		
Conflicts		
What you'd do differently		

- prepare questions for the interviewers

- prepare 2-3 technical projects

II) Responding to Behavioral Questions

- Be specific, not arrogant
- Limit details

- o Focus on yourself, not on your team
- o Give structured answers

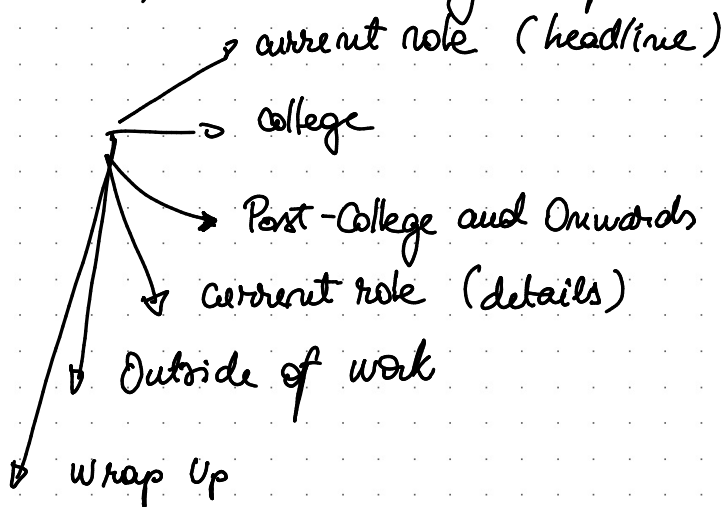

— mugshot first

S.A.R.

(Situation, action, result)

o don't babble about the situation and then just breeze through the action.

o "so, tell me about yourself"

Hobbies — technical / good to have
 — game dev
 — build gadgets
